🔥 Let's cook

2. Brown the beef with the onion in a skillet until cooked through; drain the fat. ⏱️ 10 min
3. Stir in cumin, chili powder, salt, the beans and ½ cup enchilada sauce. 🧒 Kids can do this
4. Spread ½ cup sauce in a 9×13 dish. 🧒 Kids can do this
5. Fill each tortilla with beef and a sprinkle of cheese, roll, and lay seam side down. 🧒 Kids can do this
6. Pour the rest of the sauce over, covering the ends so they don't dry out. Top with the rest of the cheese. 🧒 Kids can do this
7. Bake until bubbling, covered for 15 minutes then uncovered 10. ⏱️ 25 min
8. Top with sour cream, cilantro and avocado.

CHEF'S SECRET

Sauce the tortilla ends too. Any dry edge goes crunchy and hard; covered ends stay soft and saucy.
