GEAR

Blender

🔥 Let's cook

1. Pour the OJ into the blender first, then the yogurt. 🧒 Kids can do this
2. Add the spinach, banana and frozen berries on top. 🧒 Kids can do this
3. Blend on low, then high, until totally smooth. ⏱️ 1 min
4. Taste; add honey if needed. Too thick? A splash more juice. 🧒 Kids can do this
5. Pour into 4 glasses and serve right away.

CHEF'S SECRET

Liquids in first, frozen fruit last. The blender won't jam and you need no ice, so it never tastes watered down.
