GEAR

Oven-safe nonstick skillet · Whisk

🔥 Let's cook

1. Oven on to broil. Whisk the eggs, milk, salt and pepper. 🧒 Kids can do this
2. Melt butter in a 10–12 inch oven-safe nonstick skillet over medium. Cook the pepper until soft. ⏱️ 4 min
3. Add spinach and stir until it wilts.
4. Pour in the eggs. Cook without stirring, lifting the edges so raw egg runs under. ⏱️ 5 min
5. When the top is almost set, scatter the cheese and slide under the broiler until puffed and golden. ⏱️ 2 min
6. Slide out, cut into wedges and serve with English muffins. 🧒 Kids can do this

CHEF'S SECRET

Finish under the broiler: the top sets fluffy and the cheese bubbles without anyone flipping anything.
