GEAR

Biggest skillet · Rice pot · Small bowls

🔥 Let's cook

1. Start the rice. ⏱️ 15 min
2. Heat the oil in your biggest skillet over high. Add the chicken, press flat and leave it 4 minutes to brown hard, then crumble. ⏱️ 7 min
3. Push the meat aside. Add garlic, ginger and the white parts of the green onions; stir 30 seconds.
4. Stir together soy sauce, rice vinegar, brown sugar and sesame oil. 🧒 Kids can do this
5. Add the slaw and the sauce. Toss 2–3 minutes, just until wilted but still crunchy. ⏱️ 3 min
6. Mix the mayo with sriracha to taste (keep a plain bowl for milder eaters). 🧒 Kids can do this
7. Serve over rice with green onion tops and a drizzle of spicy mayo. 🧒 Kids can do this

CHEF'S SECRET

High heat and a short cook on the slaw: it should still crunch. Overcooked cabbage goes limp and watery.
