🛒 What you need

FROM THE STORE

- ▢ **1 bag (22 oz)** Whole Foods fresh pizza dough
- ▢ **¾ cup** Rao's marinara
- ▢ **2 cups** Tillamook mozzarella, shredded
- ▢ **1 tray** Creminelli pepperoni (or deli pepperoni)
- ▢ **¼ cup** Grated parmesan

FROM THE PANTRY

- ▢ **2 Tbsp** Olive oil
- ▢ Flour or cornmeal for the pan
- ▢ **pinch** Dried oregano, garlic powder

⚡ **First:** Dough out of the fridge and oven to 475°F 30 min before.

GEAR

Sheet pan · Parchment · Pizza wheel · Pastry brush

🔥 Let's cook

1. Take the dough out of the fridge 30–60 minutes before so it stretches easily. Oven to 475°F with a sheet pan inside. ⏱️ 30 min
2. Cut the dough into 4 balls, one per person. 🧒 Kids can do this
3. On a floured counter, press and stretch each ball into a thin 8-inch round. Let it rest 5 minutes if it springs back. 🧒 Kids can do this
4. Brush the rims with olive oil. Spread 2–3 Tbsp sauce on each, leaving a border. 🧒 Kids can do this
5. Top with mozzarella, then pepperoni, then a sprinkle of parmesan and oregano. 🧒 Kids can do this
6. Slide onto the hot pan (on parchment is easiest) and bake until the crust is deep golden and the cheese bubbles. ⏱️ 10–12 min
7. Rest 2 minutes, then cut with a pizza wheel.

CHEF'S SECRET

Preheat the pan in the oven. Dough that hits a screaming-hot surface gets a crisp, pizzeria bottom instead of a soft, pale one.

DINNER · FLIP SIDE

Pizza Party

👩‍🍳 Kitchen crew: kid jobs

- [ ] Shape your own pizza (it doesn't have to be round)
- [ ] Lay out the pepperoni: make a face or your initial
- [ ] Spread the sauce with the back of a spoon
- [ ] Sprinkle the cheese and parmesan

Knives, the stove and the oven: a grown-up stays right there. Steps marked 🧒 **Kids can do this** on the front are theirs to own.

⏰ MAKE IT AHEAD

Dough keeps 2 days in the fridge, or freeze it and thaw overnight in the fridge.

🥡 LEFTOVERS

Reheat slices in a dry skillet with a lid, 3–4 minutes: crisp bottom, melty top. Great cold in a lunchbox too.

🔁 SWAP IT

- Pizza crust (i276) or naan for a 10-minute version
- Hot honey drizzle on the pepperoni for the grown-ups

🍽️ SERVE IT WITH

A spring-mix salad with Italian dressing

⏱️ Game plan: everything lands at once

1 hr out	Dough out of the fridge to warm up.
35 min	Oven to 475°F with the sheet pan inside.
25 min	Cut 4 balls; everyone stretches their own crust.
15 min	Kids sauce and top: mozzarella, pepperoni, parm.
12 min	Pizzas onto the hot pan and in the oven.
Dinner	Rest 2 minutes, cut, serve.
