GEAR

Big sheet pan + foil · Tongs · Meat thermometer

🔥 Let's cook

1. Oven to 425°F with the rack in the middle. Line a big sheet pan with foil.
2. Toss the potatoes with 1 Tbsp oil and salt; roast alone first. ⏱️ 10 min
3. Toss the peppers and onions with the rest of the oil, seasoning, garlic powder, salt and pepper. 🧒 Kids can do this
4. Add the veggies and sausages to the pan with the potatoes in one layer. 🧒 Kids can do this
5. Roast, flipping the sausages once, until they're browned and 160°F inside. ⏱️ 25 min
6. Last 3 minutes: split the rolls and warm them on the oven rack. 🧒 Kids can do this
7. Eat as a plate, or pile into rolls as sandwiches.

👨‍🍳 CHEF'S SECRET

Give the potatoes a 10-minute head start and spread everything out. A crowded pan steams; room on the pan gives you browned edges.
