GEAR

Pot · 9×13 dish + foil · Pastry brush

🔥 Let's cook

1. Oven to 375°F. Simmer the chicken in salted water until 165°F, about 15 minutes (or use a rotisserie chicken). ⏱️ 15 min
2. Shred the chicken with two forks. 🧒 Kids can do this
3. Stir the Frank's with 2 Tbsp melted butter; toss with the chicken. Taste and add more sauce for the grown-ups. 🧒 Kids can do this
4. Slice the whole sheet of rolls in half sideways without pulling them apart. Bottom half goes in a 9×13 dish. 🧒 Kids can do this
5. Layer chicken, then cheese, then the top half. 🧒 Kids can do this
6. Brush the tops with butter mixed with garlic powder. Bake covered 10 minutes, uncovered 5. ⏱️ 15 min
7. Pull apart and serve with ranch and celery.

CHEF'S SECRET

Toss half the chicken in sauce and keep a plain corner for anyone who wants mild. Mix the Frank's with butter so it clings instead of soaking the bun.
