GEAR

Big skillet · Small bowls · Whisk

🔥 Let's cook

1. Slice each chicken breast in half the long way so it cooks fast and even. Season with salt, pepper and garlic powder. ⏱️ 5 min
2. Sear in a little oil over medium-high, 5–6 minutes a side, until 165°F. Rest 5 minutes, then chop or shred. ⏱️ 12 min
3. Whisk the melted butter into the Frank's. Toss the chicken in it while it's hot. 🧒 Kids can do this
4. Set out lettuce, cheese, celery and ranch in bowls. 🧒 Kids can do this
5. Warm the tortillas 20 seconds in the microwave. Fill: lettuce, chicken, cheese, celery, a drizzle of ranch. 🧒 Kids can do this
6. Fold the sides in and roll tight. Toast seam side down in a dry skillet, 1–2 minutes a side, until golden. ⏱️ 6 min
7. Cut in half on an angle. Carrots and extra ranch on the side. Pack the extra chicken for lunch before rolling.

CHEF'S SECRET

Toss the chicken in the buffalo butter while it's still hot so it soaks in, and toast the wrap seam side down first to seal it shut.
