GEAR

Slow cooker · Sheet pan · Two forks

🔥 Let's cook

1. Morning: cut the pork into 4 big chunks. Rub with salt, cumin, oregano and chili powder. ⏱️ 10 min
2. Put the onion and garlic in the slow cooker, pork on top. Pour in the orange juice and the juice of 2 limes; add bay leaves. 🧒 Kids can do this
3. Cook on LOW 8 hours (or HIGH 5) until it falls apart. ⏱️ 8 hr
4. Dinner: shred the pork with two forks right in the pot; toss with the juices.
5. Spread on a sheet pan, spoon over ½ cup of the juices, and broil 5–7 minutes until the edges crisp. Watch it. ⏱️ 7 min
6. Warm the tortillas. Set out cilantro, chopped onion, lime wedges, salsa verde and avocado. 🧒 Kids can do this
7. Build tacos. Save leftovers in some of the juice so they stay moist.

CHEF'S SECRET

The broil at the end is everything: crispy edges plus juicy middle is what makes it carnitas and not just pulled pork.
