GEAR

2 sheet pans + foil · 3 shallow plates · Meat thermometer

🔥 Let's cook

1. Oven to 425°F. Line 2 sheet pans with foil and oil them well.
2. Slice the eggplant into ½-inch rounds; salt and set aside 10 minutes. If the chicken breasts are thick, slice them in half the long way. ⏱️ 10 min
3. Set up three plates: flour; eggs beaten with a splash of water; panko mixed with half the parmesan, oregano, garlic powder, salt. 🧒 Kids can do this
4. Dredge chicken and patted-dry eggplant: flour, egg, panko. Lay on the pans and spray or drizzle the tops with oil. 🧒 Kids can do this
5. Bake until golden, flipping once. ⏱️ 20 min
6. Spoon sauce over each piece, top with mozzarella and parmesan, and bake until bubbly. 🧒 Kids can do this ⏱️ 8–10 min
7. Warm the rest of the sauce for pasta, if serving.

CHEF'S SECRET

Salt the eggplant and pat it dry before breading. It pulls out bitterness and water, so it bakes up crisp instead of soggy.
