GEAR

Sheet pan + parchment · Skillet · Pastry brush

🔥 Let's cook

1. Heat the oven to 400°F. Line a sheet pan with parchment.
2. Brown the beef and onion over medium-high, breaking it up, 7 minutes. Drain the fat. Season with salt, pepper and garlic powder. ⏱️ 8 min
3. Off the heat, stir in ketchup, mustard and pickles. Cool 10 minutes, then stir in the cheese. 🧒 Kids can do this
4. Cut each pastry sheet into 4 squares. Spoon filling onto each, brush the edges with egg, fold into a triangle. 🧒 Kids can do this
5. Seal with a fork, cut a little slit on top, brush with egg and sprinkle sesame seeds. 🧒 Kids can do this
6. Bake 20–22 minutes until deep golden. ⏱️ 22 min
7. Cool 5 minutes (the filling is hot). Serve with ketchup and mustard for dipping.

CHEF'S SECRET

Let the filling cool before it goes in the pastry and add the cheese last. Hot filling melts the pastry and the pockets leak.
