GEAR

Griddle or big skillet · 2 bowls · Whisk · Cooling rack

🔥 Let's cook

1. Whisk flour, sugar, baking powder and salt in a big bowl. 🧒 Kids can do this
2. In another bowl whisk milk, eggs, melted butter and vanilla. 🧒 Kids can do this
3. Pour wet into dry and stir just until combined. Lumps are good. Rest 5 minutes.
4. Heat a griddle or skillet over medium with a little butter. Pour ¼ cup per pancake. ⏱️ 5 min
5. Flip when bubbles pop and the edges look dry, about 2 minutes; cook 1 minute more. ⏱️ 15 min
6. Cool on a rack, then freeze in a bag with parchment between them.
7. Weekday: toast or microwave 2 pancakes 45 seconds. Spread PB on one, grape on the other, stack, add banana. 🧒 Kids can do this

CHEF'S SECRET

Stop stirring while the batter is still lumpy. Over-mixing makes pancakes tough; lumps make them fluffy.
