

DINNER · POPPY'S KITCHEN

Taco Fiesta

Seasoned turkey in a skillet, warm tortillas, and everyone builds their own.

25 min
START TO TABLE

4, plus a lunch
SERVES

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Ground turkey**	**Out?** ground beef or chicken, same way
☐ **Taco seasoning**	**Out?** 1 Tbsp chili powder + 1 tsp cumin + salt
☐ **Tortillas (soft or hard)**	**Out?** chips for nachos, or rice for taco bowls
☐ **Shredded cheese**	**Out?** any cheese we have

✨ **If we have them:** black beans, taco sauce, lettuce, sour cream, salsa, avocado, limes. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter. Oven to 200°F.
2. Brown the turkey in a hot pan with a little oil. Leave it alone the first 3 minutes, then break it up. ⏱️ 8 min
3. Stir in the seasoning and about ⅔ cup water. Simmer until saucy, not soupy. ⏱️ 5 min
4. Wrap the tortillas in foil and warm them in the oven. Set out whatever toppings we have. ⏱️ 10 min
5. Everyone builds their own. Save a scoop of meat for tomorrow's lunch.

🔑 **THE ONE THING THAT MATTERS**
Don't stir the turkey right away. The brown bits are the flavor.

✅ **IT'S DONE WHEN**
No pink left in the meat.

🛟 **Plan B:** No tortillas and no chips? Taco bowls: meat over rice with cheese on top.
