

DINNER · POPPY'S KITCHEN

Cozy Cabin Chili

A thick, beefy one-pot chili with beans and tomatoes, topped with cheese.

50 min
START TO TABLE

4, plus a lunch
SERVES

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Ground beef**	**Out?** ground turkey, same way
☐ **Chili beans (2 cans)**	**Out?** any canned beans, plus 1 more tsp chili powder
☐ **Canned diced tomatoes (big can)**	**Out?** a jar of marinara or salsa
☐ **Chili powder + cumin**	**Out?** taco seasoning packet
☐ **Onion**	**Out?** skip it, or a little onion powder

✨ **If we have them:** garlic, cheddar, sour cream, tomato paste or ketchup, brown sugar. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter. Dice the onion.
2. Brown the beef in a big pot. Leave it alone 4 minutes, then crumble. Add the onion until soft. ⏱️ 13 min
3. Stir in the spices for 1 minute until it smells toasty.
4. Add the tomatoes, the beans with their sauce and ½ cup water. Simmer uncovered until thick. ⏱️ 25 min
5. Taste and add salt. Top with cheese and sour cream.

🔑 **THE ONE THING THAT MATTERS**
Toast the spices in the pot for a minute before the liquid goes in.

✅ **IT'S DONE WHEN**
It's thick, not soupy, and the beef has no pink.

🛟 **Plan B:** Short on time? Simmer 10 minutes and serve it over rice or chips.
