SERVES

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Meatloaf mix (2 lb)**	**Out?** ground beef or ground turkey
☐ **Eggs (2)**	**Out?** skip, add an extra splash of milk
☐ **Panko bread crumbs**	**Out?** crushed crackers or torn bread
☐ **Ketchup**	**Out?** BBQ sauce for the glaze

✨ **If we have them:** onion, broccoli, rice, brown sugar, worcestershire or soy sauce, milk, garlic powder. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter. Oven to 375°F. Foil on a sheet pan.
2. In a big bowl, soak the crumbs in a splash of milk 2 minutes. Add eggs, ½ cup ketchup, salt and pepper.
3. Add the meat and mix gently with clean hands just until combined. Shape two loaves on the pan.
4. Brush with ketchup mixed with a little brown sugar. Bake 35 min, then add broccoli to the pan and bake 20 more. Make the rice. ⏱️ 55 min
5. Rest 10 minutes, then slice. ⏱️ 10 min

🔑 **THE ONE THING THAT MATTERS**
Mix the meat as little as you can. Squeezing it makes it tough.

✅ **IT'S DONE WHEN**
160°F in the middle, or the juice runs clear.

🛟 **Plan B:** Running late? Make burgers from the same mix: 4–5 minutes a side in a skillet.
