Steakhouse Steak & Fries

A hard-seared steak with garlic butter and crispy oven fries.

35 min
START TO TABLE

4
SERVES

⏰ **Heads-up:** 30 min before: steak out of the fridge, patted dry and salted. Turn the fan on, it'll smoke.

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Flat iron steak**	**Out?** sirloin or ribeye
☐ **Frozen fries**	**Out?** potato puffs or sweet potato fries
☐ **Butter**	**Out?** olive oil
☐ **Salt + pepper**	**Out?** just salt works

✨ **If we have them:** garlic, thyme or rosemary. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter. Oven to the temperature on the fries bag.
2. Spread the fries in one layer and bake, flipping once. ⏱️ 20 min
3. With 12 minutes left: heat a cast-iron pan on high until smoking. Oil, then the steak. Don't touch it. ⏱️ 4 min
4. Flip. Add butter and garlic and spoon the foaming butter over the steak. ⏱️ 3–5 min
5. Rest the steak 8 minutes, then slice thin across the grain. ⏱️ 8 min

🔑 THE ONE THING THAT MATTERS

Dry steak, smoking-hot pan, don't move it. Then let it rest.

✅ IT'S DONE WHEN

130°F inside for medium-rare (a grown-up checks).

🛟 **Plan B:** No cast iron or too smoky? Broil the steak 5 minutes a side.
