SERVES

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Ground beef**	**Out?** ground turkey or rotisserie chicken
☐ **Enchilada sauce**	**Out?** salsa or a jar of marinara + cumin
☐ **Flour tortillas**	**Out?** soft taco tortillas (smaller)
☐ **Mexican blend cheese**	**Out?** any shredded cheese

✨ **If we have them:** onion, black beans, sour cream, cilantro, limes, avocado, cumin, chili powder. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter. Oven to 375°F.
2. Brown the beef with a diced onion; drain the fat. Stir in cumin, beans and a little sauce. ⏱️ 10 min
3. Sauce on the bottom of a 9×13 dish. Fill each tortilla with beef and cheese, roll, and lay seam down.
4. Pour the rest of the sauce over, covering the ends. Cheese on top. Bake covered 15, uncovered 10. ⏱️ 25 min
5. Top with sour cream, cilantro and avocado.

🔑 **THE ONE THING THAT MATTERS**
Cover the tortilla ends with sauce so they don't go hard.

✅ **IT'S DONE WHEN**
Bubbling all over and the cheese is melted.

🛟 **Plan B:** Skip the rolling: layer tortillas, filling and sauce like a lasagna.
