🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Tortilla chips**	**Out?** tortillas cut in triangles, baked 8 minutes
☐ **Mexican blend cheese**	**Out?** any shredded cheese
☐ **Black beans**	**Out?** skip them, add more meat
☐ **Salsa**	**Out?** taco sauce or diced tomatoes

✨ **If we have them:** ground beef + taco seasoning, sour cream, avocado, jalapeños, green onions, lime. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter. Oven to 400°F. Foil on a big sheet pan.
2. If using beef: brown it, drain, add taco seasoning and a little water. ⏱️ 10 min
3. Half the chips in one layer, then half the cheese, beans and beef. Repeat.
4. Bake until the cheese is fully melted. ⏱️ 6–8 min
5. Top with salsa, sour cream and avocado. Eat off the pan.

🔑 **THE ONE THING THAT MATTERS**
Two thin layers, not a mountain, so every chip gets cheese.

✅ **IT'S DONE WHEN**
All the cheese is melted.

🛟 **Plan B:** No chips? Quesadillas with the same filling.
