SERVES

⏰ **Heads-up:** Night before: mix and fill the jars (they need 6 hours). Jars keep 4 days.

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Old fashioned oats**	**Out?** quick oats work too
☐ **Milk**	**Out?** any milk
☐ **Vanilla Greek yogurt**	**Out?** plain yogurt + extra honey

✨ **If we have them:** berries, bananas, sliced almonds, honey, cinnamon, chia seeds. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter.
2. Stir 2 cups oats, 2 cups milk, 1½ cups yogurt, honey, cinnamon and a pinch of salt.
3. Spoon into 4 jars, berries on top. Lids on, into the fridge overnight.
4. Morning: stir, add banana and almonds, go.

🔑 THE ONE THING THAT MATTERS
A pinch of salt makes it taste like dessert.

✅ IT'S DONE WHEN
Oats are soft and thick, not runny.

🛟 **Plan B:** Forgot last night? Microwave the same mix 2 minutes for hot oatmeal.
