Power Protein Smoothie

A thick, cold blender smoothie with yogurt, frozen fruit and OJ.

5 min
START TO TABLE

4
SERVES

⏰ **Heads-up:** Optional, Sunday: freeze ripe banana chunks.

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Frozen berries**	**Out?** any frozen fruit, or fresh + ice
☐ **Greek yogurt**	**Out?** milk, or more fruit
☐ **Orange juice**	**Out?** milk

✨ **If we have them:** bananas, baby spinach, honey, peanut butter. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter.
2. Into the blender: 1½ cups OJ, then 2 cups yogurt.
3. Spinach and banana, then the frozen berries on top.
4. Blend low, then high, until smooth. ⏱️ 1 min
5. Taste. Too thick? More juice. Not sweet? Honey.

🔑 **THE ONE THING THAT MATTERS**
Liquids in first, frozen fruit last, so the blender doesn't jam.

✅ **IT'S DONE WHEN**
Smooth, no chunks, and thick enough to hold a straw.

🛟 **Plan B:** No frozen fruit? Yogurt parfaits or a banana with peanut butter.
