Veggie & Cheese Omelets

One big cheesy veggie omelet, finished under the broiler and cut into wedges.

SERVES

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Eggs**	**Out?** no eggs: see Plan B
☐ **Shredded cheese**	**Out?** any cheese we have
☐ **A veggie or two**	**Out?** spinach, mushrooms, or leftover veggies

✨ **If we have them:** baby spinach, milk, english muffins, butter. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter. Broiler on.
2. Whisk 10 eggs with a splash of milk, salt and pepper.
3. Butter in an oven-safe nonstick pan on medium. Cook the veggies soft. ⏱️ 4 min
4. Pour in the eggs. Lift the edges so raw egg runs under. ⏱️ 5 min
5. Cheese on top, under the broiler until puffy and golden. Cut in wedges. ⏱️ 2 min

🔑 **THE ONE THING THAT MATTERS**
The broiler sets the top, so nobody has to flip it. Use an oven mitt on that handle.

✅ **IT'S DONE WHEN**
Puffed, golden, and the middle doesn't jiggle.

🛟 **Plan B:** No oven-safe pan? Make scrambled eggs with the veggies and cheese stirred in.
