SERVES

⏰ **Heads-up:** Optional: mix the filling up to 3 days ahead.

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Cooked chicken**	**Out?** more beans, or rotisserie chicken
☐ **Black beans**	**Out?** any beans, or skip and add more chicken
☐ **Shredded cheese**	**Out?** any cheese
☐ **Big tortillas**	**Out?** any wrap, or make it a bowl over rice

✨ **If we have them:** salsa, sour cream, lettuce, lime, taco seasoning. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter.
2. Chop the chicken. Mix with the drained beans, a little taco seasoning and lime.
3. Warm tortillas 15 seconds in the microwave.
4. Sauce (salsa + sour cream), then cheese, then filling, then lettuce. Roll tight.
5. Cut in half. For lunchboxes, wrap in foil with an ice pack.

🔑 **THE ONE THING THAT MATTERS**
Cheese goes right on the sauce. It keeps the wrap from going soggy.

✅ **IT'S DONE WHEN**
Rolled tight, and nothing falls out when you cut it.

🛟 **Plan B:** Tortillas tearing? Make it a bowl over rice or lettuce.
