Kitchen-Sink Grain Bowls

A grain, a protein, two veggies, something crunchy and a dressing. Use up the fridge.

SERVES

⏰ **Heads-up:** Optional, Sunday: cook the quinoa; it keeps 5 days.

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **A grain: quinoa or rice**	**Out?** frozen brown rice, or lettuce
☐ **A protein: leftover chicken or steak**	**Out?** beans, eggs, or cheese
☐ **Two veggies**	**Out?** whatever's in the fridge
☐ **Olive oil + vinegar dressing**	**Out?** ranch, or any dressing we have

✨ **If we have them:** beans, cheese, pumpkin seeds or almonds, dijon, honey. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter.
2. Rinse 1 cup quinoa, simmer covered in 2 cups salted water. ⏱️ 15 min
3. Shake ¼ cup oil, 2 Tbsp vinegar, mustard, honey, salt in a jar.
4. Chop toppings into little piles.
5. Grain on the bottom, toppings on top, dressing and crunch last.

🔑 **THE ONE THING THAT MATTERS**
It's a formula, not a recipe: grain + protein + 2 veggies + crunch + sauce.

✅ **IT'S DONE WHEN**
Quinoa is fluffy and the little white tails show.

🛟 **Plan B:** No grain? Pile it all on lettuce for a big salad.
