SERVES

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Plain Greek yogurt**	**Out?** sour cream
☐ **Cucumber**	**Out?** skip it, still a good dip
☐ **Garlic**	**Out?** a pinch of garlic powder
☐ **Veggies to dip**	**Out?** any crunchy veggie, or pita chips

✨ **If we have them:** lemon, olive oil, dill, snap peas, bell pepper. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter.
2. Grate half a cucumber. Squeeze it dry in a paper towel.
3. Stir into 1½ cups yogurt with a little grated garlic, lemon, olive oil and salt. Rest.
   ⏱️ 5 min
4. Cut the veggies and set them around the dip.

🔑 **THE ONE THING THAT MATTERS**
Squeeze the cucumber dry, or the dip gets watery.

✅ **IT'S DONE WHEN**
Thick enough to stay on a carrot.

🛟 **Plan B:** Short on time? Stir ranch seasoning into yogurt.
