Turkey & Black Bean Cottage Cheese Bake

A cheesy layered taco bake: turkey and beans, a creamy middle, tortillas between.

50 min
START TO TABLE

4, plus a lunch
SERVES

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Ground turkey**	**Out?** ground beef, same way
☐ **Black beans**	**Out?** corn, or just more meat
☐ **Cottage cheese**	**Out?** sour cream or ricotta
☐ **Tortillas**	**Out?** crushed tortilla chips between the layers
☐ **Shredded cheese**	**Out?** any cheese we have

✨ **If we have them:** salsa, taco seasoning, frozen corn, onion, sour cream. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter. Oven to 375°F, grease a 9×13.
2. Brown the turkey (and onion). Stir in taco seasoning, a splash of water, beans, corn and some salsa. ⏱️ 10 min
3. Mix the cottage cheese with salsa and a cup of the cheese.
4. Layer: tortillas, half the meat, the cottage cheese mix, tortillas, the rest of the meat, cheese on top.
5. Bake covered 20 min, uncovered 10. Rest 5 minutes before cutting. ⏱️ 30 min

🔑 THE ONE THING THAT MATTERS

Mix salsa and cheese into the cottage cheese. Plain, it tastes flat; mixed, nobody notices it.

✅ IT'S DONE WHEN

Bubbling at the edges and the cheese on top is melted and spotty.

🛟 **Plan B:** Skip the baking: serve the meat and beans as taco bowls or in tortillas.
