4
SERVES

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Sweet potatoes**	**Out?** skip them and use more beans and cheese
☐ **Black beans**	**Out?** shredded chicken or corn
☐ **Tortillas**	**Out?** any tortillas
☐ **Shredded cheese**	**Out?** any cheese we have

✨ **If we have them:** lime, cumin, chili powder, sour cream, salsa, avocado. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter. Poke the sweet potatoes and microwave until soft, turning once. ⏱️ 10 min
2. Scoop and mash with cumin, chili powder, salt and lime. Stir in the beans.
3. Spread on half of each tortilla, add cheese, fold.
4. Cook in a buttered pan over medium, pressing down, until golden. Keep finished ones warm at 250°F. ⏱️ 12 min
5. Cut in wedges. Sour cream, salsa and avocado on the side.

🔑 THE ONE THING THAT MATTERS
Microwave the sweet potatoes. Soft in 10 minutes, and the filling glues it all together.

✅ IT'S DONE WHEN
Golden on both sides and the cheese is melted.

🛟 **Plan B:** Out of sweet potatoes? Plain cheese and bean quesadillas.
