DINNER · POPPY'S KITCHEN

One-Pot Chicken & Chickpea Curry

Chicken and chickpeas simmered in a mild coconut curry, over rice.

35 min
START TO TABLE

4, plus a lunch
SERVES

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Chicken breasts**	**Out?** chicken thighs, or just more chickpeas
☐ **Coconut milk**	**Out?** a cup of plain yogurt stirred in at the end, off the heat
☐ **Curry paste**	**Out?** 2 Tbsp mild curry powder, fried the same way
☐ **Chickpeas**	**Out?** cubed sweet potato
☐ **Rice**	**Out?** naan alone

✨ **If we have them:** onion, garlic, ginger, diced tomatoes, spinach, naan, yogurt to serve. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter. Start the rice. ⏱️ 15 min
2. Soften the onion in oil in a big pot. Add garlic, ginger and the curry paste; fry 1–2 minutes. ⏱️ 7 min
3. Add the chicken pieces and salt; stir to coat.
4. Pour in the coconut milk, chickpeas and some tomatoes. Simmer. ⏱️ 15 min
5. Stir in spinach. Serve over rice with naan and a spoon of yogurt.

🔑 **THE ONE THING THAT MATTERS**
Fry the curry paste in the oil before anything wet goes in. That's the takeout flavor.

✅ **IT'S DONE WHEN**
Chicken is white all the way through and the sauce has thickened.

🛟 **Plan B:** No chicken? Chickpea and veggie curry, same steps.
