SERVES

⏰ **Heads-up:** Start the slow cooker in the morning (8 hours on low).

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Pork shoulder**	**Out?** chicken thighs (about 6 hours on low)
☐ **Orange juice + limes**	**Out?** just the limes and ½ cup water
☐ **Onion + garlic**	**Out?** onion powder and garlic powder
☐ **Tortillas**	**Out?** rice for carnitas bowls

✨ **If we have them:** cilantro, salsa verde, avocado, cumin, oregano, chili powder. Skip any of these.

🔥 How it goes

1. Morning: pull the must-haves onto the counter. Cut the pork in 4 chunks and rub with salt and spices. ⏱️ 10 min
2. Onion and garlic in the slow cooker, pork on top, orange juice and lime juice over it. LOW 8 hours. ⏱️ 8 hr
3. Dinner: shred the pork in the pot with two forks.
4. Spread on a sheet pan with a little juice. Broil until the edges crisp. Watch it. ⏱️ 7 min
5. Warm tortillas, set out toppings, build tacos. Save leftovers in some juice.

🔑 **THE ONE THING THAT MATTERS**
The broil at the end. Crispy edges are what make it carnitas.

✅ **IT'S DONE WHEN**
The pork falls apart with a fork, and after broiling the edges are brown and crispy.

🛟 **Plan B:** Forgot to start it in the morning? Taco night with ground meat instead.
