DINNER · POPPY'S KITCHEN

Cheeseburger Puff Pastry Pockets

Cheeseburger filling baked inside golden puff pastry triangles.

45 min
START TO TABLE

4 (8 pockets)
SERVES

⏰ **Heads-up:** Thaw the puff pastry in the fridge the night before.

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Ground beef**	**Out?** ground turkey
☐ **Puff pastry (2 sheets)**	**Out?** tortillas, toasted in a pan like quesadillas
☐ **Shredded cheddar**	**Out?** American cheese torn up
☐ **Egg**	**Out?** brush with milk instead

✨ **If we have them:** onion, ketchup, mustard, pickles, sesame seeds. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter. Oven to 400°F, parchment on a pan.
2. Brown the beef (and onion). Drain, season. Stir in ketchup, mustard and pickles. ⏱️ 8 min
3. Cool 10 minutes, then stir in the cheese.
4. Cut each sheet into 4 squares. Fill, egg the edges, fold into triangles, seal with a fork.
5. Brush with egg, cut a slit on top. Bake. Cool 5 minutes before eating. ⏱️ 22 min

🔑 THE ONE THING THAT MATTERS
Cool the filling and add the cheese last, or the pockets leak.

✅ IT'S DONE WHEN
Deep golden brown and puffed.

🛟 **Plan B:** Pastry not thawed? Make it cheeseburger quesadillas in tortillas.
