DINNER · POPPY'S KITCHEN

Open-Faced Pizza & Deli Melts

Thick toasted bread, sauce, meats and cheese under the broiler. Everyone builds their own.

SERVES

🧺 The must-haves

Put these on the counter **before you start**. Out of one? Use the swap next to it. That's it, keep going.

☐ **Crusty bread**	**Out?** any bread, English muffins or naan
☐ **Rao's marinara**	**Out?** any pizza or pasta sauce
☐ **Shredded mozzarella**	**Out?** any melty cheese
☐ **Pepperoni or deli meat**	**Out?** ham, salami, or veggies

✨ **If we have them:** ham, salami, parmesan, garlic powder, italian seasoning. Skip any of these.

🔥 How it goes

1. Pull the must-haves onto the counter. Broiler on high, rack near the top.
2. Slice the bread thick. Brush with oil and broil until just crisp. ⏱️ 2 min
3. Spread sauce on each slice.
4. Everyone builds their own: meats, mozzarella, a pinch of parmesan.
5. Broil until the cheese bubbles and browns. Don't walk away. ⏱️ 4 min

🔑 **THE ONE THING THAT MATTERS**
Toast the bread with oil before the toppings so it stays crisp.

✅ **IT'S DONE WHEN**
The cheese bubbles with brown spots.

🛟 **Plan B:** No good bread? Same thing on tortillas for crispy tortilla pizzas.
